Sir:

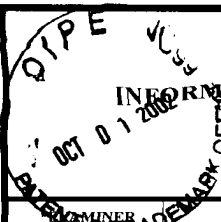

Enclosed is a completed Form 1449 listing all art cited in the Search Report of the underlying PCT application, which resulted in the subject US National Phase application. As indicated by Form 903 the search report and accompanying art are present in the subject file history for consideration by the examiner. It is therefore not deemed necessary to file an Information Disclosure Statement citing this art again. Form 1449 is being filed to insure that the art is listed on the face of the patent and to obtain verification that the art has been considered.

If for some reason you do not have copies of the references in the file, kindly contact the undersigned immediately and we will be happy to provide copies.

Respectfully submitted,

Avery N. Goldstein, Reg. No. 39,204
